

REUSABLE BADGE KITS

With our innovative system, you can now design, print and build your own badges on site.

SPIFFY!

Quickly and easily change badges with new hires, new designs, or new seasons.

AS EASY AS 1-2-3

1. DESIGN

Design your namebadge. Use as much or as little color as you want. Like a specific font? Go for it!

2. PRINT

Use your own printer, no special equipment required. Inserts are available for both laser and inkjet.

3. ASSEMBLE

Snap the pieces together for an instant, ready to wear badge.

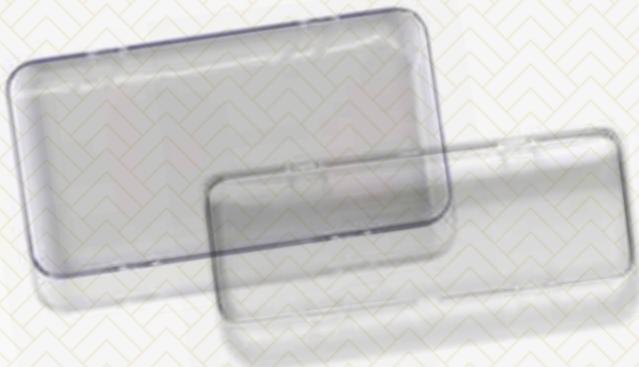

All the components are reusable and replaceable. Save time and money by replacing just the parts you need.
